

Ventilation

Duct Sizing

Diameter (mm)	Length
305	To customer requirements
380	To customer requirements
405	To customer requirements
570	To customer requirements
760	To customer requirements
915	To customer requirements
1015	To customer requirements
1220	To customer requirements

Tolerances

Pipe Diameter:	Nominal pipe diameter $\pm 1\text{mm}$
Flange Diameter:	Suitable to fit ducting, $\pm 2\text{mm}$
Ducting Length:	$\pm 5\text{mm}$ overall

Material

1.0mm Z275 Lockform Galvanized
1.2mm Z275 Lockform Galvanized
